EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Christopher A. Bennett on 8/24/2004.

The application has been amended as follows:

- a) On page 1, first paragraph, line 2, change "currently pending" to -- now U.S. patent 6,758,683 --.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

The reason for allowance of the claims is the inclusion of the limitation,

- a) **For claim 24**, none of the prior art teaches or suggest, alone or in combination, the first cantilever beam of each of the plurality of pins **extends over** the center body of an adjacent one of the plurality of the pins, in combination with other limitations in the claim which is not found in the prior art reference of record.
- b) **For claim 43**, none of the prior art teaches or suggest, alone or in combination, the first and the second acute angles are different from each other, in combination with other limitations in the claim which is not found in the prior art reference of record.

- c) **For claim 66**, none of the prior art teaches or suggest, alone or in combination, the first cantilever beam is less resistant to bending than the second cantilever beam, in combination with other limitations in the claim which is not found in the prior art reference of record.
- d) **For claim 88**, none of the prior art teaches or suggest, alone or in combination, the deflection of first and second cantilever beams are different when the first and second cantilever beams are contacted by the first and second objects, in combination with other limitations in the claim which is not found in the prior art reference of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
